EXPERIENCE

WORDPRESS DEVELOPER

onlinejobs.ph

April 2020 - July 2023

- Conducted WordPress development utilizing popular builders including Elementor, Divi, Wix, Beaver, and Visual Composer.
- Transformed web prototypes from Figma, Adobe XD, and Photoshop into fully functional WordPress websites, ensuring seamless user experiences.
- Implemented Google Analytics and tags through Google Tag Manager (GTM) to monitor website performance and user behavior effectively.
- Maintained websites with regular content updates, including blogs and products on WooCommerce and Shopify.
- Enhanced search engine visibility and user engagement by adding Google Rich Snippets to web content.
